

Announcement made by Hon'ble Chief Minister
Shri Naveen Patnaik at the Collector's Conference
on 28.10.2017

...

1. Like in Sambalpur, the Government will set up Science Park in all the District Headquarters.
2. All the fluoride affected villages will be provided with filters in Nuapada district. About 300 villages will be benefited.
3. Chemotherapy facilities will be expanded to places where the incidence is more.
4. Government will sanction 7 Railway under-passes for Koraput district.
5. Mega Pipe Water Supply will be taken up in salinity affected areas of Bhadrak, Puri and Kendrapara.
6. Construction Workers Pension sanctions will be decentralised to district level.
7. Defunct Lift points will be repaired on priority in drought areas.
8. 121 Dialysis Units will be distributed to districts.
9. Puri district will have a separate protocol wing so that administration can focus on development works.
10. The Corpus Fund in health which is given for KBK districts is now extended for all tribal districts as well so that Specialists can be hired.
